### THROW OUT THE LINE.

Give Them Help and Many Canyon People Will be Happier.

"Throw Out the Life Line"—The kidneys need help. They're overworked—can't get the poison filtered out of the blood. They're getting worse every minute.

Will you help them? Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair. Will cure any form of kidney trouble.

W. R. Kimberlin, S. Main St., Altus, Okla., says: "For a long time I was in the hardware business and I think that a strain from heavy lifting was the cause of my kidney trouble. For the past three or four years my kidneys bothered me continually. Sharp pains often darted through my body and were so severe as to unnerve me. I could not sleep well and it did not take me long to decide that something must be done. I at length learned of Doan's Kidney Pills and deciding to try them, I procured a box. I soon found that they were helping me and after I had used one box, my trouble had disappeared. I advise anyone who has kidney complaint to try Doan's Kidney Pills in time."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.
